JAI JAGAT 2020

ON THE MOVE FOR PEACE AND JUSTICE

WHAT DOES JAI JAGAT MEAN

Jai Jagat means VICTORY OF THE WORLD, and it should be victory for our common humanity and not for one nation or group. Jai Jagat helps us to refocus on an inclusive world based on principles of peace and justice.

12 MONTHS OF MARCHING, 8 DAYS OF ACTION

People committed to nonviolent change all over the World, will march from India, Belgium, France, Germany, Sweden, Senegal, Spain and other countries to Geneva (Switzerland). The marchers will be welcomed by the city of Geneva.

8 days of People's Action will raise issues faced by local people worldwide, and address it with global institutions and policy makers.
